

Occupational Health & Safety Policy

Anugraha Fashion Mill Pvt Ltd is committed to implement occupational health & safety standard by ensuring that we

- **Comply to applicable all legal & other requirements of health and safety standards of our industry**
- **Prevent injury and ill health by conducting and reviewing risk assessment at regular intervals and take adequate control measures for the identified risk**
- **Provide recognized safe workplace where personnel are properly trained for safe work procedures, effective use of personal protective equipments and emergency procedures**
- **Register and document all the incidents of occupational health & safety to prevent or reduce the reoccurrence through appropriate corrective and preventive action**
- **Be a responsible neighbour in the community where we operate, and correct incidents or conditions that endanger health & safety**
- **Communicate to all persons working under the control of the organization with the intent that they are made aware of their individual occupational health & safety obligations**
- **Establish and evaluate achievable health & safety performance, objectives & targets, programs to ensure continual improvement of health & safety standards**

As a team we strive to continuously improve our commitment towards occupational health & safety standards through improved & sustainable technology, process, procedures, production methods and effective training. We will communicate our strong occupational health & safety commitment to all the stakeholders and the general public.
